

# Expression of interest (Eoi) Response document

## For **Test One**

The screenshot shows a software interface with a sidebar on the left containing various menu items. The main area displays a table with the following data:

	Category	Value
1	Category 1	100
2	Category 2	200
3	Category 3	300
4	Category 4	400
5	Category 5	500
6	Category 6	600
7	Category 7	700
8	Category 8	800
9	Category 9	900
10	Category 10	1000

## 1. About this document

This document is provided as the expression of interest (EOI) response format associated with the Test One to be run by sdsfds.

Do not respond to this document before you have thoroughly read and understood the associated Expression of Interest (EOI) brief document.

Please return the completed document to document Vivek , Mahajan@gmail.com.

DO NOT reformat this document.

## 2. Your EOI Response

### About your organisation

Please provide a brief overview of your organisation covering its history, historical and current projects, locations and any other information you feel it relevant. This is provided for information only, there will be further opportunity to present your organisations credentials in the next step.

--

### Introduce your team

Please list your key team members including identifying those that would be involved with the project and their roles.

Name	Position	Project Role	Contact details	Comments

### Additional notes & credentials

Please provide any additional information that you feel will best present your case for winning the selection process and delivering our project.

--

### Functional areas

Please indicate how many of the functional areas your system can facilitate (and how) using the table below.

Functional areas	Out of the box	May need a workaround	Cannot be done
Contact Database			

## 3. Authorisation

Please authorise your organisations expression of interest in participating further in our selection process and project.

By signing below you have understood and are agreeing to follow the described process and can deliver to the requirements in the associated document Test One EOI.pdf.
